

Marauders Rugby Football Club

A Not for Profit (501c3)

2015-2016

Greetings Potential Sponsor -

Marauders Rugby Football Club is a D4 competitive rugby and not for profit social club providing men's rugby in the northern suburbs of Denver. Drawing from three stellar youth organizations (Broomfield Tigers, Superior Rugby, and Northside Dragons), we are in a position to build a dominant rugby club in the Northern part of Denver and a culture that will thrive for years to come.

Once rugby was added to the upcoming 2016 Olympics, it began receiving increased television coverage throughout the USA which has led to increased exposure and funding for the sport. Marauders RFC is ideally positioned to take advantage of this exposure. Under the umbrella of Superior Rugby, we now have access to a brand new turf surface for practice and games at Williams Field in Superior, as well as to fantastic indoor practice facilities at the new Boulder Valley Ice in Superior and future access to a premier grass field adjacent to that site. We have a strong core of veteran club members and attract a steady stream of new members of all ages. Our members participate in local volunteer events, social gatherings, and frequent local businesses, while competing locally throughout the Front Range on a weekly basis.

We are a self-funded organization, and pride ourselves on not receiving any funding from the state or local government. Each member is responsible for his or her own dues, which assist in covering the costs to rent the practice and playing fields, purchase equipment, pay the officials, and pay league dues. Our goal is to raise the necessary funds and endow the Marauders RFC with finances, equipment, and resources for the future while offsetting some of the individual member burdens. Combined with our positive influence and increasing exposure within the community we believe that supporting our club provides an opportunity for your organization and for ours to grow together and make men's rugby a special and rewarding experience here in the north side of Denver.

Depending on the sponsorship package that you choose, we will place your Logo, web address, company name, logos, etc. on the Marauders game jerseys, practice jerseys, fan apparel, banners to be displayed at home and away games, on our website, or in other ways that you think would be beneficial to your company. We are happy to represent your organization in a positive light and display your information proudly as a sponsor of the Marauders Rugby Football Club. We then become your teammate in exposing your business to as many people as we can.

If you are interested in additional information regarding sponsorships, please contact our President, Rick Quinn at (603) 988 - 8917 or you may also send an email to: marauders-board@googlegroups.com.

Sincerely,
Marauders Rugby Football Club
